Subject: [ga010d-atlanta] OOC: Requiem - Support for the Prince, Announcements, and news blurb ("Fire Streak across Atlanta")

News:

“The Fulton and Dekalb police are investigating several cases of arson tonight as several downtown businesses including the historic Flatiron Building were fire bombed. The police believe organized crime is involved but are unsure of the motive.”

OOO: The properties involved will be recognized as being the locations that are public known as LUXCorps buildings.
